

NEW

Low Smoke Zero Halogen cable option

on a variety of our cable sensors

We have found that some customers are asking us to provide sensors with LSZH cable for certain products and applications. To make it easier for our customers to select these products, we have added it as an option to our standard catalogue range.

When ordering any of the following products, add the suffix **LSZH** to your partcode.

	TT-555	Flying Lead Temperature Sensor
	TT-518	Thimble Temperature Sensor
	TT-512	Low Profile Temperature Sensor
	TT-554	Remote Probe Sensor
add Suffix 	-LSZH	Low Smoke Zero Halogen Cable - £3.30 per metre

Example: TT-555-A-LSZH – Flying Lead Temperature Sensor 10K3A1 with Low smoke Zero Halogen Cable

TT-555	add	Suffix: LSZH	Partcode
	+		TT-555-A-LSZH
